HANLON A COMER.

Gave Young Corbett All He Could Han-er, die for Twenty Rounds. San Francisco, February 27.—The fight between Young Corbett and Hanlon demonstrates that the California nghter is a mighty shifty lad, both with hands and feet, and he gave the champion a tryout that leaves no doubt of the justness of the decision declaring the bout a draw. It was a very nice bout, full of action through-

First round was occupied in warming up, both men doing good work, both with hands and feet.

Second Round. Hanlon led for the body. but was short. Corbett tried with the right and left for the body but was blocked. Corbett placed his right to the stomach and Hanton hooked him to the body with a left.

be strike rule, fathered and chambel by James A. Hart of Chicago, will of the rules committee of the season of the rules committee of the season of the National league and season of the National league and season of the Salaidon to the adoption of the National Association of Minor Leagues (1995). New York, February 27.—Plans have just in the Heaves of the Heaves for a Fight.

New York, February 27.—Plans have just in the Heaves of the Heaves for a Fi was practically nopeless. The gong saved Corbett, who was on his lest legs. Handon landed fully a dozen blows on Corbett's stomach, but was mable to land a knockout. The excitement was so intense that the best was not heards.

Eleventh Round.—Hanlen sailed in and tried to beat his man to the mat, but Corbett came back gamely and took a description.

Eleventh Round Hanlon sailed in and tried to bear its inno to the man, but Corbett saile 3 (on bases) adopted as in the sailed so bases adopted as in the sailed so bear is supported as in the sailed in and tried to bear its inno to the man, but Corbett sailed so bear is supported as in the sailed in and tried to bear its inno to the man, but Corbett sailed so bear is supported as in the carefully in this round and let Hanlon do all the fighting.

Twelfth Round Corbett sent in two victions rights to the stomach and then followed with another to the same place. He planted his right hard again to the body and had recovered his strength apparance, the planted his right hard again to the body and had recovered his strength apparance, the planted his right hard again to the body and had recovered his strength apparance, the planted his right bard and the followed with another to the same place. He planted his right hard again to the planted his rig

Thirteenth Round.—Corbett sent a straight right to the stemach. Edilic jabbed the champion in the face with a left. Corbett put in a right to the face and
Eddie came back with one equally as hard.
Corbett missed a vicious right uppercent
for the jaw and escaped a right swing
for the body. Hanion landed a right and
left lightly to the jaw, but, as the bell
sounded, Corbett sent in a stiff right to
the face.

Fourteenth Round .- Corbett went in with Fourteenth Round.—Corbett went in with a right to the head. Corbett put in a short arm right to the jaw and followed it with a straight right to the same place. Didle sent in several lefts and rights to the body. As the bell sounded Hanlon nearly put the champion out of business by a succession of rights and lefts to the face. Hunlon's right eye is badly cut and bleeding profusely.

Fifteenth Round.—Corbett waded in with a right and was blocked. They fought

MRS. J. P. MORGAN COMING.

Will Make a Leisurely Tour of Texas,

Discussed Her Probability of Death in Triends. The ladles were met at the deput a Matter of Fact Sort

Hamilton, Ohio, February 27.-Mrs. Sadie Wentzel, who came here last night to see her brother, Alfred Knapp, the selfconfessed multi-murderer, had a long talk with the prisoner in the presence of Sheriff Bisdorf. His sister had previously written him about his marrying his fourth wife, Anna May Gamble, at Indianapolis, about a month after the disappearance of Hannah Goddard Knapp, his third wife, and in reference to his wife at Indianapolis, Mrs. Wentzel sald:

"Ally, do you leve this weman who is now your wife?" "Oh, I guess I love her about as much

as I am comble of loving any woman." "What do you mean by that?" "I mean that I do not know what love

"Ally, it has been said that I have Han state pickers. Judge Walters asked one nah's earrings and ring, and I want you, in little fellow if he knew the distinguished the presence of the sho to exonerate me Nebraskian. on that score.

"Hennah's ring will be found on her "How about the earrings?"

"If she had earrings they will be found "Had you not been arrested would you. have killed this wife whom you now have in Indianapolis?" "That is hard to tell," was the remark-

"That is hard to tell," was the remarkable enswer.

The question did not seem to disconcert Knapp but seemed to arouse in him a speculative sense that caused him to go into an explanation of his answer.

"I know she woke several times since we mairied and found my nands on her neck while I was asiecp, too. She woke when if grabbed her and woke me and wasked me what I meant by taking hold of her neck that way, and I could not tell her why because I was asiecp and did not know I did it. Just last werk she woke know I did it. Just last werk she woke in plust in time or she might never invents and awake at all I grabbed her so tight and awake at all I grabbed her so tight and awake at all I grabbed her so tight and was choking her so she was near gone when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to and woke me up. I when she came to take the came to ta the stage of water here 33.6. Already the low way because I was asleep and did not up just in time or she might never have awoke at all I grabbed her so tight and was choking her so she was near gone when she came to and woke me up. I can't see what makes mere to that.

BRAZOS WITHIN ITS BANKS

Running into the Bayous and Creeks but llas Some Margin at Bryan.

HEAVY LOSS IN GUADALUPE COUNTY

The Croeks Are Still Up and There Has Been Much Damage to Bridges and Other Property.

Bryan, Texas, February 27 .- The Brazos iver opposite Bryan is running out in the sloughs and bayous. Still lacks three fost of being out of banks proper. It is rising six luches an hour.

Waco, Texas, February 27,-The Brazos went down to within four feet of its nornal condition today. Last night at midright the river stood at twenty-seven feet, nine feet. This is one of the most rapid falls that has ever been seen here and is due entirely to the fact that the rise was purely a local one. This marning there was sunshine and evidence that the wet spell had broken; however no prediction to that effect has been ventured by any one. The ground has never been more throughth. feasion. Womack said his term and the terms of all other officials who knew of the confeasion expired before Knapp was released from the penitentlary and he supposed they had just neglected to see that anything was done, as was the case with him. annantie had evidence that the wet spen-had broken; however no prediction to that effect has been ventured by any one. The ground has never been more theroughly saturated than at the present time, and it is practically impossible for any more water to soak into it.

Is Attracting Favorable Attention in Great that comes to town today adds to the de-San Francisco, February 27.—Results at Ingleside. Weather clear; track fast:

San Antonio Again Within Banks. San Antonio, Texas, Pebruary 27. -The San Antonio river, which flooded portions of San Antonio early yesterday morning, is once more within its banks and all danger from water is over. Just what the dainfrom water is over. Just what the dain-age caused by the high water will amount to is hard to ascertain, as it is distrib-uted from almost the headwaters to miles uted from almost the headwaters to miles below the city. The receding waters left the streets of the city that were flooded in a wretched condition. Macadem paving and attawalks being washed out, and in some cases the block parements were form up by the washing water. It will cost thousands of dollars to replace the ruined nevernets.

Streams Overflowing In Bell. Belton, Texas, February 26.—Rain began falling Tuesday night at 9 o'clock and con tinued until this morning. All last night the downpour was the heaviest of all the rains that have fallen during the last four rains that have fallen during the last four mouths. Nolon creek, which runs through the town, is out of its banks and all the lower part of the town is flooded. Leon river is out of its banks and rapidly rising, lampasas and Salado rivers are out of their banks. Much damage will result from the overflow; roads are impassable, it will be from two to three weeks before any farm work can be done.

Bridges Gone at Dale. Dale, Texas, February 28. -Rain has been falling here at intervals for three weeks which has demoralized the farm interest and almost stopped road travel. Last night the heavens seemed to open and there was continued downpour for six hours, over flowing all streams and washing away several wagon bridges, several of which had just been rebuilt from last summer's over-tiow. No trains today over the Missouri Kansas and Texas railroad owing to several washouts. Today is clear and the sun is abbitted by the big.

shining brightly. Waller Expects No Overflow. Hempstead, Texas, February 27.-The heavy rains for the past two days have put all creeks and branches out of banks. Some apprehension is felt by the bottom farmers that the Brazos river will again overflow. All bottom people are bringing the cattle to high land.

It is bardly likely, unless the rains continue, that the river will overflow in this causi.

Navarro Creeks Overflowed. Corsicans, Navarro County, Texas, Feb. usry 27. Nearly all the creeks in Navarro county were out of their banks yes-terday as a result of the rain Wednesday E. L. Gibson, the local weather observer here says that by accurate measurement 0.71 inches of rain has fallen here this month.

Cattlemen Saving Stock Malekoff, Texas, February 27 .- Prinity river 's not doing so much damage now. but Cedar creek is very high and cattle-men are again out in boats trying to rescue the dyswithin stock. There has been con-siderable loss from high water the past few mentls. Negro Boy Drowned.

Hammond, Texas, February 27.-A little negro boy while attempting to get a bucket of water fell in the slough and was drowned near here yesterday. On account of the high water the body has not been recovered.

The Rise at San Felipe. San Pelipe, Texas, February 27.-The river rose about three feet here last night

and about two feet today. It will take about ten feet more water to get out in low places. Stockmen are getting their cattle out of the bottom as a precaution.

27.—The weather of the past week has made it almost impossible for the star route halls to be carried and on several days the carriers have not gone out at all.

La Grange, Texas, February 27,-The Colorado river at this place is thirty feet above low water mark and still rising slowly. A driggling rain is now fulling.

Creeks Booming at Cleburne, Claburne, Texas, February 26.—Claburne, and Johnson county, was visited by a tremendous rain, lasting the entire night. The creeks and rivers are booming and some bridges are washed away.

Lowlands Overflowed. Hammond, Toxas, February 27 .- Big and Little Brazos rivers are full and the low-lands overflowed, and the rivers are still

ceiving the warship Bestaurader, which had been seized by the blockading powers, have made an official report regarding the transfer and condition of vessel. This report reads in part.

"The Germans, before delivering the Bestaurader had sucked her in a ruinous manner. They carried off the silver, course, curtains, electric light glosse, kitchen

manner. They carried off the silver, covers, curtains, electric light glasses, kitchen utensils and even copper classes from the ship's side. The machinery was purposely left out of order. It is necessary to employ mechanical engineers for twenty-four hours in order to place the Resiaurador in a condition in to go to sea. The pilings of the ship was scandalous."

German officers declare the charge of the Ventzuclan subortities is faise. They say Germany spent \$12,000 in repairing the Restaurador and left 120 tons of coal on board of her without asking a cent.

board of her without asking a cent.

Injunction Perpetuated. Tallahussee, Florida, February 27 .- The Florida supreme court made permanent the injunction restraining the commissioners \$400,000 issue of gold bonds, authorized by a vote of the people. The injunction has een granted in the circuit court prohibiting the sale of bonds on the ground that they called for payment in gold instead of in lawful money of the United States. The supreme court based its decision not on this ground, but on the ground that the resolution of the commissioners in which resolution of the commissioners in which the vote was taken did not definitely fix the interest.

Take OXIDINE for Chills and Fevers.

Grievances Settled. Denver, Colo., February 27 .- A joint committee of engineers and firemen employed

Carter Co.'s Mails Stopped. Bryan, Brazon County, Texas, Pebruary Strictly Pure White Lead.
